- E. Questions/Answers pertaining to the solicitation follow:

- 1. Question. What is the minimum contract guarantee? Page 23 of 149, Section H.2, paragraph a. states the minimum guarantee is \$300,000; page 30 of 149 FAR 52.216(a) states the minimum guarantee is \$50,000.

Answer: Guaranteed Minimum is \$50,000 per year; for the base year and two option periods the total guaranteed minimum is \$150,000.00.

- 2. Question. Are Past Performance Questionnaires required? OR is the offeror only required to submit a letter authorizing sector references to provide past performance information to Fort Campbell?

Answer: Page 51 of 149, 4<sup>th</sup> paragraph stated it is recommended offeror send their private sector references a letter authorizing them to provide past performance information to the Government; therefore, Past Performance Questionnaires are not required to be submitted by the offeror.

- 3. Question. Is sample project a real project? In other words, are you going to award the sample project as part of the award?

Answer: The sample project is a real project. It will not be awarded as part of the award.

- 4. Question. Is this a follow-on contract? If yes, can we get names of the incumbent contractors and history of TOTAL amount awarded?

Answer: This is not a follow-on contract. Names of the incumbent contractors can be accessed from our website at [www.campbell-doc.army.mil](http://www.campbell-doc.army.mil). Information concerning total amounts awarded should be requested under the Freedom of Information Act

- 5. Question. In Quality Proposal, RFP asks to submit Sample Project Proposal. Can you explain what does that include? Pricing per DID or Pricing and Work Plan or Something else?

Answer: Using all the information in the solicitation, to include DID(s), attachments, etc, the offeror shall submit a proposal for the sample project. The extent of the details that should be submitted in your proposal cannot be provided by the Government.

6. Question. We understand that you need 20% bid bond of \$300,000. Does bid bond remain active for all 3 years or bid bond expires once award is made?

Answer: Bid Bond is 20% of \$150,000.00 (guaranteed minimum for base and two option periods). Bid bond remains in effect after contract award until receipt of performance and payment bonds.

7. Question. Is it mandatory to bid all tasks coming under this contract, once awarded? After reviewing the scope of the task order, do contractors have right to decline to bid that specific task order?

Answer: Yes, however, contractors who consistently decline to bid may not be invited to future scopings and the Government may take this into consideration when determining whether or not to exercise the contract options. See Paragraph B above.

8. Question. The solicitation states that the Quality Proposal, Part II shall be provided in 75 pages or less. This information, with back up for the sample task order, along with the management and experience information will require more than 75 pages. Request an exclusion of the sample task order from the page limit or an increase in total page limit for Part II – Quality.

Answer: The 75 pages or less does not pertain to the Sample Task Order; exclusion granted.

9. Question. Is a 20% Bid Bond required to be submitted with the initial proposal package, or does this only apply to task order proposals that are submitted after award of the contract?

Answer: Yes, bid bond is required with submission of proposal.

10. Question. It was stated in the pre-proposal conference that there would be no special considerations taken for HubZone businesses in the award of this contract. Will this remain the same upon award of the contract, or will any special consideration be given to HubZone contractors for individual task order proposals?

Answer: No, pursuant to FAR 19.1304, special consideration will not be given to Hubzone contractors for individual task orders.

11. Question. Please define which wage decision will be used for each bridge within the sample task order proposal.

Answer: See Paragraph C above.

12. Question. Section L, Paragraph L.6.2, Part II – Quality Proposal: The 2<sup>nd</sup> bulleted item under Subfactor 1 Management states: List titles, required job qualifications, and responsibilities of key personnel. Please define what you consider key personnel?

Answer: This decision should be made by the offeror. This extent of detail cannot be provided by the Government.

13. Question. Subfactor 3 Submission of Offer to Sample Task Order states: Using all the information in this solicitation, your submissions, and the specifications/drawings at Attachment A: the offeror shall submit a proposal. We understand from the pre-proposal conference that you are asking for a brief descriptive paragraph on how the work is to be performed for each bridge within the sample task order. In addition to these narratives, should any cost information be included in this section?

Answer: See Question/Answer Number 5 above.

14. Question. Do we have to submit past performance questionnaire to our contract references? On page 86 of 149, there is a Contractor Performance Report. It seems to be a questionnaire, but it does not address the 3 sub-factors that the past performance is inquiring for?

Answer: See Question/Answer Number 2 above. The Form on Page 86 is used to evaluate Contractor Performance on individual task orders. This form is not related to the requirements under submission of Past Performance.

15. Question. Section L.5.2.1 states that the Quality proposal (PART II) shall be provided in 75 pages or less. Is the submission of Offer to Sample Task Order included in the 75 page limit?
